

Internet Genealogy Class

The amount and diversity of genealogical information available on the Internet is expanding every day! But, how do you possibly keep up? How do you know where to look, and what can you believe?

In this class, we will talk about effective search strategies, take a look at some popular and recently added genealogical websites, look at some new ways to share genealogical information on the web, and more.

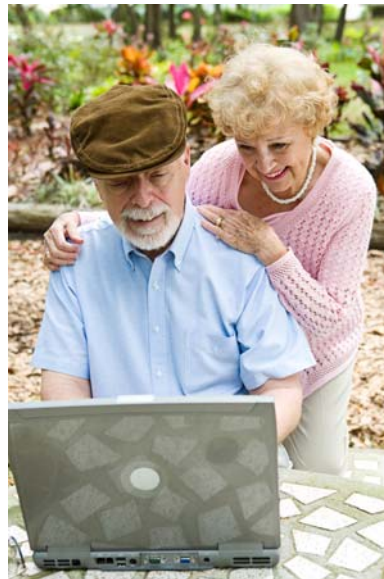

Handout listing website resources will be provided with the class.
